- * Tell your “worst date” story to get things started.

- * When Patti wrote *Always Green*, she wasn’t planning on Mibby’s mother showing up with her sister. They pretty much forced their way into the story! What does their presence accomplish in Mibby’s life and growth?

- * Louise tells Mibby she’s still routing at her mother’s breast. What does she mean by that?

- * What makes Ben a high-risk suitor for Mibby?

- * What do you consider the best advice Mibby offered Crenshaw?

- * What kind of future do you envision for Larry and Mibby?

- * Is there something tossing your “boat” on wild seas? How can you apply the story of Jesus crossing the lake with His disciples to your situation?
